

Genie XS

PROFESSIONAL MICRO AUTOSCRUBBER

“Cleaning
ON DEMAND”

Cleaning
“wherever” and
“whenever” you want

Suitable for cleaning small surfaces

- Effortless and comfortable to use
- Perfect washing and drying in any direction thanks to the parabolic squeegee
- Increases hygiene level
- The floor is dry within few seconds
- Equipped with maintenance-free lithium ion battery
- You can use Fimap detergents to increase cleaning performances
- Handy for everyday use
- Environmental friendly, reduces water consumption

EASE OF USE

The controls on the steering wheel are simple, intuitive and easy to use also by inexperienced operators

“AUTO” device: all cleaning settings are already pre-configured, just press the button to activate

 Water and detergent

 Vacuum

 Brush

COMFORT

Adjustable height
to avoid back fatigue

Parabolic squeegee

The innovative rotary head is equipped with a parabolic squeegee which continuously follows the direction of the machine, for perfect washing and drying results in any direction and even in the most inaccessible corners.

VERSATILITY

Parabolic squeegee

SLALOM
CLEANING

VERSATILITY

Scrubs and dries in one go both forwards and backwards

VERSATILITÀ

0 mm

Reaches right up to skirting boards,
cleaning the entire floor area

Cleans right into the corners

 FIMAP®

VERSATILITY

Reduced
height

HYGIENE

Antibacterial tanks

Immediately dry floor

No slip and fall accidents

No more time wasted to wait for the floor to dry

No more safety signs to close the area

INNOVATION

LITHIUM-ION BATTERY
TECHNOLOGY

 **FIMAP**® & **SAMSUNG** alliance

LITHIUM-ION BATTERY TECHNOLOGY

ENERGY CONSUMPTION

NiMH, Nickel, Metal Hydride

MAXIMUM POWER for dirty floors

If the dirt is stubborn and difficult to remove, the machine delivers more power

MAXIMUM ENDURANCE for maintenance cleaning

When the dirt is lighter, power returns to normal levels thus the battery lasts longer

ENDURANCE (over time)

MAXIMUM POWER

Increased power only when needed

MAXIMUM ENDURANCE

Under normal dirt conditions, the power remains constant, increasing battery endurance

ALWAYS READY TO USE

No self-discharge, Genie XS is always ready when you need it
No memory effect, you can recharge the battery whenever you want

QUICK CHARGE

You can use Genie XS several times in the same day

LOW RUNNING AND MAINTENANCE COSTS

High discharge/charge cycle lifespan

COMPACT DESIGN

Lithium batteries allow for a compact and lightweight design

INNOVATION

HANDY BATTERY CHARGER

Lets you recharge it anywhere,
without wasting time

TRANSPORTABILITY

Like a trolley

By the handle

Lifting

COMPACT

Space saving storage
(vertical parking)

Fimap recommends to use the Chemical Cards that contain low-foaming detergents that:

- do not leave residues
- do not clog the pipes
- help to keep your scrubbing machine always at its best conditions

CHOOSE THE CHEMICAL CARD THAT IS RIGHT FOR YOU

BLUE BLOSSOM CLEANER

for all kind of hard floors

ORANGE CITRUS CLEANER

for hardwood and parquet floors

GREEN PINE SANITIZER

to sanitize healthcare environments

Benefits of the Chemical Cards:

- They're handy to use, because they contain just the right amount of detergent
- They're easy to use. Just bend the card between two fingers and pur out the contents
- They're safe. You never come into contact with the chemical product
- They're practical. The space-saving format means they're easy to store and to carry with you

QUICKLY READY TO USE

The water tank small size allows to fill it up in any situation

QUICKLY READY TO USE

The squeegee is lowered
and lifted by a handy knob

QUICKLY READY TO USE

Pedal switch

DAILY CARE

Vacuum cover

Recovery tank

Solution tank

The recovery tank is quick and easy to empty

The solution filter cleaning guarantees a proper water flow on the brush

The proper cleaning of
the vacuum cover...

... and hose ensures
constant drying performances

Easy brush replacement without
any tools

DAILY CARE

The squeegee blades are easy to clean at the end of work and to replace when worn

Their proper maintenance ensures perfect floor drying

SUSTAINABILITY

 Noise level reduction

 Energy saving

 Water and detergent saving

High quality components

90% of recyclable materials

Ownership of the information and/or documents:

All information (by which we mean all data and information with the sole exception of that of common knowledge or which FIMAP has disclosed without reserve) and all documents (drawings, photos, etc.) are the exclusive property of FIMAP and their use does not mean there is any kind of acquisition of titles, property or exploitation of rights or licenses except for the limited permission of use ruled by this document.

By way of example and, therefore, not limited to, such information and/or documents can be the following:

Marketing section:

high definition digital images for the implementation of commercial catalogues on paper or web sites, company trademarks, original graphical documents from which texts are taken (e.g. the descriptive notes), PDF documents and original documents in .ppt format.

Professional use of the data:

It is a known fact that the information and/or documents, subject of this commitment, are and will be used by the beneficiary exclusively for carrying out his professional business and, therefore, no specific laws regarding consumer protection are applicable.

Confidentiality:

The Party that benefits from the information or use of documents taken from or, in any case, part of the commercial documentation, shall use all such information and/or documents with maximum care solely for the purposes connected to execution of this contract with FIMAP and shall:

keep such information and/or documents confidential except for those, due to their nature, which are to be disclosed (promo-advertising material etc.); shall not divulge any information and/or document to its suppliers, collaborators or employees beyond what is strictly necessary so that they may fulfil their tasks concerning relations with FIMAP and shall ensure that the suppliers, collaborators and employees that have access to the information and/or documents are, in turn, bound by a confidentiality commitment to the benefit of FIMAP; shall not divulge any information to third parties without the prior written consent by FIMAP; copy and/or in any other way reproduce any information or document without the prior written consent of FIMAP; take all the necessary measures to protect confidentiality.

Returning information and/or documents:

Whilst maintaining exclusive ownership at all times, FIMAP has the right, at any time, to ask in writing or by e-mail, that all the information and/or documents received be returned or no longer used and within the term of thirty days from receipt of this request, all the information and/or documents must be returned, including any copies, or destroy such information and/or documents and relative copies so as to prevent them from being recovered and FIMAP must be given a written declaration certifying that the information and/or documents have all either been returned or destroyed.

This obligation to return, destroy or no longer use is set automatically in motion when the relationship is cancelled with FIMAP for any reason whatsoever.

Applicable law, cancelling clauses and Court having jurisdiction:

The interpretation, integration, execution and the effects of this commitment will be governed by Italian law.

If one or more points of this agreement are cancelled it does not invalidate the remaining points.

All disputes will be put to the exclusive jurisdiction of the Verona Courts.
